ABOUT GRANT WRIGHT ASSOCIATES (GWA)

Mr Wright has led Grant Wright Associates (GWA) since its formation in 1989. He is a Fellow of the Royal Institution of Chartered Surveyors, a Fellow of the Chartered Association of Building Engineers, a Member of the Academy of Experts and a Member of the Institute of Party Wall Surveyors.

Mr Wright commenced studies in Surveying in 1975. Prior to founding Grant Wright Associates (GWA), Mr Wright had worked in both the public and private sectors. He is dedicated to ensuring that Grant Wright Associates (GWA) provides a service to the construction, legal and financial professions, as well as individual clients and companies to meet their specific requirements.

Mr Wright provides, via the RICS panel, free advice to the public over the telephone, re. Party Wall matters. He is proud to record that, when acting as the Building Owner's Surveyor, that he has never had a matter referred to a Third Surveyor by an Adjoining Owner's Surveyor. He puts this down to acting with the necessary level of impartiality, treating Adjoining Owners' Surveyors with due respect and in undertaking his duties thoroughly, to avoid the imposition of time commitments upon Adjoining Owners' Surveyors

Mr Wright's extensive knowledge and experience of the construction industry and the associated professions and required processes, combined with skilled management of an experienced and suitably qualified professional team, benefits Grant Wright Associates (GWA)'s clients.

Grant Wright Associates (GWA)'s clients have included private companies, contractors, sub contractors, architectural and professional practices together with works for experts and solicitors as well as individual domestic clients. Our clients have ranged from individuals and small firms to multi-national companies and practices. Likewise our works have varied from minor appointments and surveys to large multi-million pound projects and claims.
