## PUBLICATIONS

Multiple publications involving traumatological, orthopaedic, spinal, computer aided surgery, research.

## Medical Legal Reporting

I have undertaken medico-legal work for the past 30 years, starting in 1987. The ratio of Claimant/Defendant instructions is 70:30. With seniority in the last 10 years, I have been involved in complex medico-legal work, serious injuries and clinical negligence claims for both the Claimant and the Defendant.

The volume of instructions for complex cases is in the region of 50 per year.

### Court Experience

I am a regular attender at Court hearings for both the Claimant and Defendant (approximately ten cases per year).

### Training

Historically, I have given lectures to medico-legal experts. I have lectured at the Legal/Insurance fraternity on concepts of acceleration and exacerbations. I have undertaken mandatory training (Bond Solon).

### Head Office

My professional address is 8 Packman Lane, Kirk Ella, Hull, HU10 7TL, Telephone 01482 659048/01482 654061 and Fax 01482 659046.

Email: karpinski@orth-fsnet.co.uk

My Personal Assistant is Mrs Tina Harrison (01482 657519).

### Venues

- a) **Hull**, 8 Packman Lane, Kirkella, East Yorkshire, HU10 7TL
- b) **London**, 10 Harley Street, London, W1G 9PF
- c) **Birmingham**, Consulting Rooms 38 Ltd, 38 Harborne Road, Birmingham B15 3HE
- d) **Nottingham**, 21 Regent Street, Nottingham, NG1 5BS
- e) **Leeds**, 160 Street Lane, Roundhay, Leeds, LS8 2AD
- f) **Manchester**, The Consulting Rooms, 76 Gartside Street, Manchester, M3 3EL

\*\* ALL appointments/correspondence should be addressed to my Head Office in Hull.

### Special Interests

The spine (cervical, thoracic and lumbar) involving soft tissue injuries, whiplash injuries, low velocity injuries, fractures, degenerative conditions, disc herniation, sciatica, work-related injuries, cumulative disorders, feet and ankles and road traffic accidents.

Commenced Medical Negligence work in 1998 and do about 30 cases per year for both the Claimant and the Defendant.

General orthopaedic subsidiary expertise in traumatology and soft tissue injuries involving the musculoskeletal system.

### Appointments

We endeavour to give an appointment date within seven working days of the letter of instruction. The time scale for seeing the client and medical assessment varies but is in the region of four weeks.

### Medical Report

Our intention is to issue the Medical Report within two to three weeks following the assessment pending availability of the medical records and radiographs. In urgent circumstances the Report can be issued earlier with the proviso that a supplementary letter will follow on perusal of the relevant records.

### Woolf Report

I am familiar with the requirements of the Woolf Report. My duty is to the Court and on occasions I am required to liaise with other medical specialists and generate combined statements to fulfil my obligations.

### Meetings with Counsel

I have undertaken regular briefs with Counsel in personal discussions prior to Court appearances, by telephone, letter and video link communications.
