Testimonials for Thomas Andrew Skerratt

Gemma Osgood of Clarke Willmott LLP:

"I have worked with Andrew for a number of years now and have always found his reports very well written and sensible. He is extremely responsive and good at communicating which is important to any instructing solicitor. I know I can always depend on him to provide sensible options in his report. I hope to continue working with Andrew for a number of years to come"

Dave Young, Partner at DWF LLP:

"I have instructed Andrew over several years and he has always produced well considered reports, made himself available for meetings and responded quickly to requests to prepare an addendum or attend a conference call. He will always consider questions put to him and alternative scenarios rather than hold an entrenched position."

Emma Rush of Irwin Mitchell

"I have worked with Andrew for a number of years on several medico-legal cases and have found him to be very responsive to queries, with good timescales for reporting and who has an approachable nature which is very important for my clients who have often been through a traumatic life experience. I would recommend him to others."

Vanessa Splaine of Weightmans:

"Andrew is my expert of choice for accommodation claims of maximum value and complexity. His reports are comprehensive and well written, he has an in depth understanding of the law as it relates to accommodation claims and he always hits deadlines. Andrew is sensible, pragmatic and robust in joint discussions. Working with Andrew means I have full confidence that the job will be done well and will be delivered on time."
