Papers presented to Learned Societies:	12
Research Studies:	13-14

## **Personal Details**

SURNAME: Hawkesford

FORENAME: John Ernest

DATE OF BIRTH: 29/11/1946

PLACE OF BIRTH: Birmingham

SEX: Male

NATIONALITY: British

MARITAL STATUS: Married (3 children)

ADDRESS: "The Quarry"  
Batt House Road  
Stocksfield  
Northumberland  
NE43 7RA

TELEPHONE: 01661 842338 / 07798 607 928

## UNIVERSITY AND MEDICAL SCHOOL EDUCATION

<b>Degrees</b>	<b>University or College</b>	<b>Date</b>
2 <sup>nd</sup> BDS	University College London	1967
Bachelor of Dental Surgery	University College Hospital Medical School	1971
FDSRCS (England)	Royal College of Surgeons of England	June 1975
Accredited Specialist in Oral Surgery and Oral Medicine	Royal College of Surgeons	January 1980

### **Registration**

General Dental Council – full registration December 1971  
Registration Number - 0045678

### **Membership of Associations and Bodies**

British Dental Association

Medical and Dental Defence Union of Scotland

British Association of Oral and Maxillofacial Surgeons

Craniofacial Society of Great Britain

Oral Surgery Club of the United Kingdom

Royal Society of Medicine

North of England Medico Legal Society

North of England Odontology Society

European Association of Cranio Maxillofacial Surgery

Oral Surgery Club of Great Britain

## **PRESENT APPOINTMENTS**

Consultant in Oral Surgery & Oral Medicine – Newcastle Nuffield Hospital  
Newcastle upon Tyne. 1979 – to present.

Consultant in Oral Surgery – Ramsay Health Hospitals UK  
2009- to present.

## **PREVIOUS APPOINTMENTS – CLINICAL TRAINING AND EXPERIENCE**

### 1 Newcastle upon Tyne

Consultant in Oral and Maxillofacial Surgery Royal Victoria and Associated Hospitals NHS Trust      October 1979  
- July 2007

Consultant in Oral and Maxillofacial Surgery      October 1979  
Hexham General Hospital      - July 2007

Honorary Clinical Lecturer in Oral and Maxillofacial Surgery University of Newcastle upon Tyne      October 1979  
- July 2007

### 2 Glasgow

Senior Registrar in Oral Medicine and Oral Surgery      April 1976  
Glasgow Dental Hospital and School and Glasgow - September 1979  
And West of Scotland Regional Plastic and Maxillofacial  
Surgery Service, Canniesburn Hospital, Bearsden, Glasgow.

Honorary Clinical Teacher in Oral Medicine and Oral Surgery University of Glasgow      December 1977  
- September 1979

### 3 Highlands Health Board

Acting Consultant in Oral Surgery      September  
- November 1979

### 4 Oxford Regional Health Authority (later Buckinghamshire Area Health Authority)

Registrar in Oral Surgery at Stoke Mandeville Hospital,      January 1973  
Aylesbury, High Wycombe and Milton Keynes      - April 1976  
Hospitals in Oral Surgery / Periodontics

- 5 University College Hospital London  
 Resident Senior House Officer between Maxillofacial Unit at St Pancras Hospital and University College Hospital Dental School in Oral Surgery/Prosthetics/Conservation July 1972 - January 1973
- 6 Birmingham Regional Hospital Board  
 Warwick, Coventry, Rugby, Nuneaton Hospitals as Resident House Surgeon in Oral Surgery Orthodontics January - July 1972

## TEACHING EXPERIENCE

- 1 University of Newcastle upon Tyne  
 Honorary Clinical Lecturer in Oral Surgery  
 Supervisor of stage II medical students course for teaching of maxillofacial surgery.  
 Supervisor of undergraduates and postgraduates, formal lectures, seminars and ward rounds. Training of junior hospital staff.
- 2 Glasgow University Dental School  
 Honorary Clinical Teacher in oral surgery / oral medicine  
 Supervision of undergraduates, formal lectures and seminars. Participation in rotational training of junior hospital staff.
- 3 Oral and Maxillofacial Surgery Unit Canniesburn Hospital Bearsden Glasgow  
 Undergraduate teaching and clinical teaching of oral surgery junior staff 1976-1979
- 4 Stoke Mandeville Hospital  
 Tuition of students from Royal Dental Hospital and University College Hospital in Oral and Dental Surgery in a District General Hospital 1973-1976

- |   |  |                         |
|---|--|-------------------------|
| 5 | <u>University College Hospital London</u>  |                         |
|   | Teaching of students in minor oral surgery sessions and operating theatre technique  | 1972-1973               |
| 6 | <u>Warwick Medical School</u>  |                         |
|   | Associate Fellow in the Centre for Primary Health Care Studies, Division of Health in the Community.<br>Warwick Medical School | May 2003-<br>April 2006 |

## **POST GRADUATE TEACHING**

- 1 West of Scotland Accident / Emergency Course 1976, 1977  
1978 and 1979
- 2 Lecturer at Canniesburn Oral and Maxillofacial Course 1977,  
1979, 1989 and 1991
- 3 Lecturer at Canniesburn Plastic Surgery Course, 1977, 1978  
and 1979
- 4 Joint Organiser of Craniofacial Symposium 1978
- 5 British Council Lecturer Oral and Maxillofacial Surgery  
Course, Glasgow 1982, 1984, 1986, 1988, 1990 and 1991

## **POSITIONS HELD IN LOCAL, NATIONAL & INTERNATIONAL ASSOCIATIONS**

- |   |            |
|---|------------|
| President of the Oral Surgery Club of Great Britain   | 2006-2007  |
| President of the United Kingdom Hospital Group of the British Dental Association  | 1993-1994  |
| Member of the Appeals Committee British Association Of Oral and Maxillofacial Surgery   | 1990-1991  |
| European Association of Cranio-Maxillofacial Surgery.<br>Member of the Organising Committee for European Association Meeting in Edinburgh | 1998-2001  |
| President of the North of England Odontological Society.  | 2002       |
| Vice Chairman of the British Dental Association UK Hospital Group.  | 2000-2001. |

## **CLINICAL MANAGEMENT POSITIONS**

Consultant with administrative responsibilities (Dental Services) to the Mental Health Unit Newcastle Health District	1979-1994
Consultant with administrative responsibilities Department of Oral and Maxillofacial Surgery Newcastle General Hospital	1988- 1990
Clinical Director Department of Oral and Maxillofacial Surgery Newcastle General Hospital	1990-1995
Head of Department Department of Oral and Maxillofacial Surgery Newcastle General Hospital	1995- 2003
Chairman of Specialist Subcommittee Dentistry Northern Regional Medical Committee	1987- 1995
Chairman of Northumberland District Dental Advisory Committee	1987-1994
Clinical Tutor Maxillofacial Surgery to stage II medical Students University of Newcastle upon Tyne	1989-1995
Chairman Northern Regional Committee for Hospital Dental Services	1991-1996

## **COURSES ORGANISED**

- 1 First International Symposium on Temporomandibular Joint Surgery. Newcastle upon Tyne 1989
- 2 Course in 'Maxillofacial Surgery of Acute Trauma' for medical and dental staff in the Northern Regional Health Authority at Newcastle General Hospital. First Course 1980, 1982, 1985, 1987 and 1991
- 3 Introductory Course on osteointegration and Implants Newcastle upon Tyne 1987, 1991, 1992, 1993 and 1994

## **NHS ADMINISTRATIVE RESPONSIBILITIES**

- 1 Member of the Northern Regional Committee for Hospital Medical Services 1987 - 1996

- 2 Vice Chairman Northern Regional Committee for Hospital Dental Services 2000 - 2007
- 3 Member of Northumberland Primary Dental Care Group 1998 - 2004
- 4 Member of the Specialty Training Committee for Oral and Maxillofacial Deanery 1986 - 2007
- 5 Junior Medical Staff Representative on Aylesbury District Medical Committee (1974-1976)
- 6 Member of West of Scotland Postgraduate Medical Education Committee (1977-1979)
- 7 Deputy Member Representative on the Council of the British Association of Oral Surgeons (1976-1979)
- 8 Member of Glasgow and West of Scotland Plastic and Maxillofacial Staff Committee (1976-1979)
- 9 Member of the Board of the Sub-Faculty of Dentistry Oct. 1984-1986
- 10 Secretary Newcastle General Hospital Medical Staff Club 1984-1988
- 11 Member of Northumberland District Dental Committee 1982-to date
- 12 Chairman of Northumberland District Dental Committee 1987-1994
- 13 Member of the Dental Manpower Committee – Newcastle Health Authority 1982-1989
- 14 Chairman of Dental Manpower Committee – Newcastle Health Authority 1985-1989
- 15 Member of Specialist Subcommittee Dentistry Northern Regional Medical Committee 1984-1985
- 16 Chairman of Specialist Subcommittee Dentistry Northern Regional Medical Committee 1987-1995
- 17 Vice-Chairman, Northern Regional Committee for Hospital Dental Services 1983-1988
- 18 Chairman, Northern Regional Committee for Hospital Dental Services 1991-1996

- 19 Consultant in administrative charge Dental Services to the Mental Health Unit Newcastle Health District 1979-1996
- 20 Treasurer Northern Regional Oral and Maxillofacial Surgery Group 1985-1991
- 21 Member of Council North of England Medico Legal Society 1987-1991
- 22 Member of Northern Regional Medical Committee 1987-1995
- 23 Member of Northern Region L.M.W.A.G 1996-1998
- 24 Member of the Northern Regional Dental Committee 1985-1997
- 25 A member of Northumberland Dental Care Group. 1985-1997.
- 26 A member of the Specialist Training Committee for Oral and Maxillofacial Surgery Northern Region. 1996-2007.

## OVERSEAS LECTURES

- 1 Great Lakes Society of Oral and Maxillofacial Surgery Columbus Ohio, USA. Invited Lecturer on 'Controversial issues on maxillofacial Trauma' May 1990

## TEXTBOOKS PUBLISHED

Textbook on Maxillofacial and Dental Emergencies.  
Oxford University Press. July 1994. First reprint November 1997.

## PAPERS PRESENTED TO LEARNED SOCIETIES

- 1 Oral aids in the occupational therapy of tetraplegic patients. International Medical Symposium on Paraplegia 1974.
- 2 The use of silastic in mandibular replacement. Plastic Surgery Society 1976.
- 3 Case Presentations of Craniofacial and Maxillofacial Surgery. British Dental Association Conference Aberdeen 1977.
- 4 A Comparison of the Anxiolytic effects of inhaled N<sub>2</sub>O/O<sub>2</sub> and intravenous Diazepam in patients undergoing minor oral surgery. International Association of Dental Research Leeds 1980.
- 5 'A New Face' The Surgical Correction of Maxillofacial Deformities.
- 6 'Radiographic Appearance and use of Alloplastic Materials in Craniofacial Surgery'.
- 7 'The Use of Alloplastic materials in maxillofacial and craniofacial surgery'. International Congress of Maxillofacial Technology London 6<sup>th</sup> September 1983.
- 8 'A New Face – Surgical Correction of Facial Disharmonies' Harrogate Dental Society 14<sup>th</sup> November 1983.
- 9 Seymour R.A., Hawkesford J.E.  
An evaluation of different Ibuprofen preparations in post operative dental pain. Sixth World Congress on Pain, Adelaide, Australia April 1990.

- 10 Seymour R.A., Jones K., Hawkesford J.E.  
The Pharmacokinetics and Efficacy of Soluble Ibuprofen in post operative dental pain. IDAR/AADR General Sessions March 1990 Cincinnati Ohio, USA.

## RESEARCH

- 1 Development of oral aids in the occupational therapy of tetraplegic patients at Stoke Mandeville Hospital 1974-1976.
- 2 The use of oral antiseptics for the prevention of sepsis after oral surgery (double blind trial) 1976-1977.
- 3 A comparative trial of the effectiveness of relative analgesia and intravenous Diazepam in mitigating the 'Arousal Response' to the stress of day case surgery. 1978-1979.
- 4 An investigation into the comparative efficacy of single doses of ibuprofen, codis and Solpadine in post operative dental pain. Northumberland Health District 1987-1990.
- 5 An investigation into the comparative efficacy and safety of ibuprofen capsules, tablets and placebo in the treatment of patients with post-oral surgical pain. Newcastle Health District 1988-1989.
- 6 An assessment between the relationship of analgesic response and plasma concentration of ibuprofen following the administration of a soluble ibuprofen formulation. Newcastle Health District 1989-1990.
- 7 A double blind study comparative efficacy of two doses 500mg and 1000mg of chewable buffered aspirin tablets versus, aspirin tablets versus placebo in post operative dental pain 1990-1991.
- 8 An assessment of the comparative efficacy of ketoprofen and paracetamol in postoperative dental pain 1991-1992.
- 9 A pharmacokinetic study and efficacy on two doses of ketoprofen (12.5 – 25mg) in post operative dental pain, Newcastle General Hospital January – April 1994.
- 10 An assessment of the comparative efficacy of Aceclofenac versus placebo versus Ibuprofen 400mg. Newcastle General Hospital April 1995 – November 1995.

- 11 A pharmacokinetic and efficacy study on new compound (WAG 101) versus placebo versus ibuprofen 400mg. Newcastle General Hospital. February – July 1996.
- 12 Single-centre, randomised, double-blind, double dummy, placebo-controlled comparison of the analgesic efficacy of buffered Ketoprofen 12.5mg versus Ibuprofen 200mg in patients with post surgical dental pain following third molar extraction. Newcastle General Hospital. November 1996 – October 1997.
- 13 A randomised, double-blind, placebo controlled, parallel group study to assess the analgesic efficacy of R-84 760 in patients with pain due to wisdom tooth extraction under general anaesthesia. Newcastle General Hospital, Hexham General Hospital. December 1997 – May 1998.
- 14 A randomised double blind, placebo controlled parallel group study to assess the analgesic efficacy of R-84 760 in patients with pain due to wisdom tooth extraction under general anaesthetic. Twenty patients commenced February 1998 completed May 1998.
- 15 A double blind randomised parallel group study comparing the safety and efficacy of intravenous doses of DGR0003 (25mg, 50mg, 75mg) with placebo in the treatment of pain secondary to third molar surgery. Commenced July 1998 completed January 1999.
- 16 A randomised, double-blind, placebo-controlled, parallel-group, multi-centre, clinical study to assess the efficacy of soluble aspirin (900mg) compared with solid paracetamol (1000mg) in the management of pain using the dental third molar pain model. Commenced May 1999 completed July 2000. study carried out at Hexham General Hospital.
- 17 The analgesic efficacy of AZD3582 (500mg and 750mg): A Phase II, randomised, double-blind, placebo-controlled, multicentre, comparison with rofecoxib (Vioxx:50 mg) in subjects undergoing impacted mandibular third molar extraction. Commenced May 2002 completed January 2003. Study carried out at Newcastle General Hospital.
